

To: The Alma Center Community Residents

The Alma Center Improvement Club will soon be busy planting our hanging baskets. Towards the end of May we will fill the ground planters and hang the baskets for display up and down main street. This year's containers will again be filled with the reliable Supertunia's.

All of the Alma Center Improvement Club's projects are completely funded through generous donations from the community. We truly appreciate all the support the community has given our Club in the past. The things that we do would not be possible without the help of this wonderful community.

If you would like to volunteer to water this summer, or are interested in becoming a part of the Alma Center Improvement Club please call Dennis at 715-299-3328 or Barb at 715-896-4747.

If you would like to send a monetary donation, please fill in the appropriate line on the stub below and mail to the following address:
